In the Specification:

On page 1, paragraph [0001], line 3, after "May 1, 2003," insert --now issued as U.S. Patent No. 6,936,551--.

Allowable Subject Matter

3. Claims 1 and 4-23 are allowed over prior art of record.

Reasons For Allowance

4. The following is an examiner's statement of reasons for allowance: ✓

After further search and consideration of Applicants' response in the Appeal Brief filed on May 15th, 2007 (see Applicants' arguments in Page 7-8, of the May 15th, response), it is determined that the prior art of record neither anticipates nor renders obvious the claimed subject matter of the instant application as a whole taken alone or in combination, in particular, prior art of record does not teach "adjusting a pressure of the cleaning gas to maintain the electron beam current at a substantially constant value; and stopping the flow of cleaning gas when the cleaning gas pressure becomes substantially constant for a predetermined length of time", as recited in independent claim 1, "adjusting a pressure of the cleaning gas to maintain the electron beam current at a

substantially constant value and stopping the flow of cleaning gas after the cleaning gas pressure becomes substantially constant for a predetermined length of time” as recited in independent claim 8, and “adjusting a pressure of the cleaning gas to maintain the electron beam current at a substantially constant value and determining an endpoint of the cleaning process and stopping introduction of the cleaning gas when the cleaning gas pressure reaches a substantially constant value and maintains the value for a length of time of 5 seconds” as recited in independent claim 16, respectively.

Claims 4-7, 9-15 and 17-23 also allowed as being directly or indirectly dependent of the allowed independent base claims.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
